

Ministry of Climate Change, Environment and Energy
Male', Republic of Maldives

Announcement Reference No: (IUL)1139-ECRFS/1/2026/11

Requesting for Quotation

Local Individual to Create Content Integrating Behaviour Change, Climate Resilience and Educational Approaches into School Gardens and Agriculture Training Programmes.

The Government of the Republic of Maldives, represented by the Ministry of Climate Change, Environment and Energy, has received financing from the Asian Development Bank (ADB) for the implementation of the Enhancing Climate Resilience and Food Security (ECRFS) Project.

The Ministry intends to utilize a portion of the project financing to engage a Local Individual to provide services for the Creation of Content Integrating Behaviour Change, Climate Resilience, and Educational Approaches into School Gardens and Agriculture Training Programmes. The services will support the development of appropriate, practical, and context-specific content for integration into school garden and agriculture training programmes, with the aim of strengthening knowledge, awareness, and climate-resilient practices among the target beneficiaries.

The Ministry now invites eligible and qualified individuals to submit their quotations for the provision of the above services in accordance with the requirements specified in this Request for Quotation (RFQ).

A complete set of the RFQ and related documentation is available on the Ministry of Climate Change, Environment and Energy's website www.environment.gov.mv for downloading. It is also attached with this advertisement.
